EDUCATION

Bergen Technical High School, Teterboro, NJ
Major: Aerospace Engineering
Class of 2027 (3.9 GPA)

EXPERIENCE

Brooklyn to Alaska-Youth Counselor/Nature Guide — Wranglell-St. Elias National Park and Preserve, AK
JUNE 2024 - PRESENT

- Participated in, then selected to lead a group of diverse middle and high school boys on an educational and adventure-filled journey from New York City to Alaska.
- Guided participants through national parks, cultural landmarks, and outdoor activities while fostering teamwork, leadership, and environmental awareness.
- Provided daily counseling support to ensure emotional well-being and group cohesion. Supported travel logistics, safety, and interactive learning sessions on Alaskan wildlife, geography, and Indigenous heritage.
- Demonstrated adaptability, strong communication, and mentorship skills in dynamic outdoor settings.

Joyful Youths Foundation, Inc. Volunteer — Jamaica, WI
SUMMER 2024-PRESENT

- Assisted in organizing and leading fundraising efforts to support local elementary schools.
- Helped collect, package, and distribute school supplies to students and staff, ensuring equitable access to educational materials.
- Collaborated with community members and peers to promote teamwork, service, and youth engagement in education initiatives.

Community Food Bank of New Jersey Volunteer — Hillside, NJ
SUMMER 2022

- Participated in a youth leadership and volunteer initiative focused on addressing food insecurity and community service.
- Assisted with organizing food drives, sorting donations, and distributing meals to families in need.
- Collaborated with peers to develop teamwork, communication, and leadership skills while supporting the Food Bank's mission to fight hunger across New Jersey.
